

RALLY!

JULY 9th, 2022

CT MG Club 2022 Dust-Off Rally

Event organizers are pleased to announce that a recent review tour of the route has found all in order and that everything is in place to run **DUST – OFF 2022!**

This years' dust-off rally will start in Southington, CT at the exit 28 park and ride lot located at 2125 Meriden-Waterbury Road, route 322. (west side of RT 84) The lot entrance will be marked with CTMG event signage. Google maps coordinates: 41.563285, -72.915361. Gas, coffee, and munchies are located near the start.

Please arrive with adequate fuel for a 70 mile tour. The “driving tour” will end at a family style eatery on the Goshen-Torrington town line where we can enjoy a lunch and the company of our fellow participants while the event results are tabulated.

Plan to arrive by about 9:30 a.m. A drivers meeting will take place at 10:00 am with the first car off by about 10:20 a.m. The driving event is a GTA style (Game Tour Adventure) rally designed to be a low pressure, fun driving tour. Participating teams consist of a driver and a co-driver; navigator. Driving distance will be approximately 70 miles. There will be an opportunity to take a break approximately mid way along the route.

Participants will need to bring a clip board (route instructions are printed on 8-1/2 X 11 inch paper) pens or pencils and some way of keeping track of the time of day and cumulative miles driven.

Questions / RSVP's may be sent to the Rally Master at gdabrowski@yahoo.com. Come join us and blow the dust off your LBC!
