

# **BRITISH BY THE SEA 2024**

## **Silent Auction, Door Prizes, and Packet Stuffing Items**

With all the planning and enjoying of the holiday season in the not-too-distant past, we will be looking for your help with making the 2024 edition of the British by the Sea Gathering another success. One very important part of this success is having a well-stocked supply of items for the Registration Packets, the Door Prizes, and the Silent Auction.

### Registration Packet Stuffing Items

While we used to get a lot of these items, in the past few years the amount has dwindled, drastically. This is a great opportunity to advertise a business, or event to well over 500 people. These items do not have to be car-related. Any type of business looking for some free advertising is welcome to participate.

We can use Business Cards, advertising Magnets, drink Koozies, discount cards, car show ads, and any promotional items. As far as numbers are concerned, we usually stuff 400 packets, but any number will be appreciated. We need these items by May 29 to be included in the packets.

### Door Prizes and Silent Auction

If you have a FLAP (Favorite Local Auto Parts) supplier or favorite repair shop that would like to donate items for door prizes, or Silent Auction items, it would be greatly appreciated. These items can be ANYTHING, tools, pictures, posters, It doesn't have to be for MG.

How about starting an Early Spring Clean out of your Garage? There must be something in there that is taking up room and you probably not going to use it anyway.

We just ask that all of these items must be in good, usable condition.

While auto-related items are preferred, items like Restaurant or other Business Gift Certificates" would be just as good.

All of the donors will get recognition for their donations.

Please bring any items to a Club Meeting, or arrange pick-up Contact ;
