

CT MG CLUB PLANTING DAY HARKNESS MEMORIAL STATE PARK SUNDAY MAY 22nd

Join us and help plant the West Garden at Harkness Memorial State Park. This is The CT MG Club's contribution to The Park which gives us the opportunity to use this beautiful location for our BRITISH BY THE SEA GATHERING.

Drive your MG, bring a picnic lunch, (as no food is available at the park), and a small hand trowel for a fun day at the park!! Please dress warmly, as there is always a breeze.

Plan on being there at 9:30, but if you can't come for the whole day, come whenever you can. We will park in front of the Mansion Eolia. Enter through the first driveway, 450 feet East of the Main Park entrance. Please drive slowly on the Park Roadways. Coffee and donuts will be served.

For more information; call Annie Wincze @ 860-693-4249 or e-mail MGTDANNIE@GMAIL.COM.

Directions;

From I-95 take exit 75 onto Rt.1, East, continue approx. 3.6 miles to a traffic light at Avery Rd (just past the post office on the right). Turn right at the light onto Avery Rd. Follow Avery, which becomes Great Neck Rd. to Harkness Memorial State Park on the right. Enter through the **Maintenance Entrance**, which is the first driveway, just 450 ft East of the Main Park entrance. Please drive slowly on the Park Roadways.
