

JUST A REMINDER !!
SUNDAY MAY 17TH
CT MG CLUB PLANTING DAY
HARKNESS MEMORIAL STATE PARK

Join us and help plant the West Garden at Harkness Memorial State Park. This is the Club's donation to the Park which allows us to have our BRITISH BY THE SEA GATHERING at this great location.

Last year we had a fantastic turn out of over 30 volunteers. We need that same turn out this year. The more Volunteers we have, the quicker everything gets done.

Drive your MG, bring a picnic lunch, (as no food is available at the park), and a small hand trowel for a fun day at the park !! Please dress warmly, as there is always a breeze. Plan on being there at 9:30, but if you can't come for the whole day, come whenever you can. We will park in front of the Mansion Eolia. Great photo op!

Enter through the Maintenance Entrance, which is just East of the Park Main Entrance. Please drive slowly as there will be other visitors walking and jogging around the driveway. Coffee and donuts will be served. For more information; call Annie Wincze @ 860-693-4249 or e-mail MGTDANNIE@GMAIL.COM
